Tuition	Books	
Fees	Equipment	
List all Required Fees with Cost	Supplies	
	Tools	
	Uniforms	

Section 2 Training Program Information Continued

Questions 11-15 may be documented utilizing **O*NET program** www.onetcenter.org **or Alabama Labor Market Information** www2.labor.alabama.gov. The O*NET program is the nation's primary source of occupational information. Central to the project is the O*NET database, containing information on hundreds of standardized and occupation-specific descriptors. The database, which is available to the public at no cost, is being developed under the sponsorship of the US Department of Labor/Employment and Training Administration (USDOL/ETA) through a grant to the North Carolina Department of Commerce.

11. **Provide** a description of minimum entry-level requirements (i.e. reading/math level, high school diploma/GED, etc.)

12. **Provide** a description of the equipment to be used (200 words or less).

13. **Provide** a description of the activity the program proposes to provide (100 words or less).

14. **Provide** a description of the skills that will be acquired through the program training.

15. **Provide** a list of occupations for which the acquired skills will provide entry-level employment.

16. **Provide** a description of the providers partnership with business and industry in the providers local area.

17. **Provide** information that identifies the training program is in-demand within industry sectors and occupations

Complete and Submit ALL Information

Failure to include and provide all of the information requested may result in the application being returned without review:!
