

ALABAMA DEPARTMENT OF COMMERCE
Under Article 18, Chapter 18, Title 40, Code of Alabama 1975

Port Credit Application

Under Article 18 of Chapter 18 of Title 40, Code of Alabama 1975, as amended, a Port Facility User is eligible to receive a Port Credit in an amount equal to fifty dollars (\$50) per TEU, three dollars (\$3) per net ton, or four cents (\$0.04) per kilogram for air freight for increased use of a publicly-owned Alabama Port Facility.

The Port Credit is a one-time tax credit applied against the Port Facility User's Alabama income tax liability. The Port Credit is calculated on increased cargo volume in excess of 105% of the Port Facility User's Base Cargo Volume. The Renewal of Alabama Commission will award a Port Credit based on the information contained in this Port Credit Application. The maximum Port Credit a Port Facility User may claim is the Port Credit approved by the Commission.

The Base Cargo Volume Period is defined as the 365-day period ending on the last day of the month immediately preceding the month in which a Port Credit Application is postmarked.

The Port Credit Incentive Period is generally defined as the 365-day period beginning on (i) the first day of the month immediately following the month in which a Port Credit Application is postmarked, at the earliest, or (ii) 90 days following the date a Port Credit Application is postmarked, at the latest.

A non-refundable \$500 application fee is required to be submitted with each Port Credit Application. Any Port Credit Application received without the application fee will be discarded as incomplete.
