ALABAMA DEPARTMENT OF COMMERCE

Growing Alabama Credit Application

Under Sections 3 through 9 of Alabama Act 2021-2 (the "Act"), an Economic Development Organization ("EDO") may apply for funding under the Growing Alabama program for the following activities:

- Site work and public infrastructure improvements at industrial sites, industrial or research parks, and low-income community census tracts.
- Capital improvements and economic development activities at inland ports or intermodal facilities.
- Construction and maintenance of agricultural centers.
- Programs for tech accelerators and underrepresented companies.

Approved projects are funded through taxpayer cash contributions to the EDO. Taxpayers receive a Growing Alabama tax credit in the amount of their contribution.

Required attachments and definitions can be found at the back of this application. Return the signed and completed application, with attachments, to incentives@commerce.alabama.gov.

Section 1. Economic Development Organization (EDO) Information

REQUIRED ATTACHMENTS

		QUALIFYING ACTIVITY			
Attachment		Site Improvements & Public Infrastructure	Capital Improvements & Economic Development Activities	Construction & Maintenance of Agricultural Centers	Programs
1.	Conflict of Interest Policy	X	X	X	X
2.	Project Site Deed	X	X		
3.	Project Site Maps	X	X	X	
4.	3 rd -party Contractor Quotes	X	X	X	
5.	Past Marketing Efforts	X			
6.	Economic Impact Report	X	X	X	X

1. Proof that the EDO has in full force and effect a conflict of interest policy consistent with that found in the instructions to Form 1023 issued by the Internal Revenue Service.
2. Proof that the EDO owns the project site.
3. Project site maps and/or profiles of the existing project site and renderings of the project site after completion of the Growing Alabama project.
4. Quotes for the completion of such work, following compliance with the procedures set forth by the Department of Economic and Community Affairs, as if the organization were disbursing state funds received from such department. If the quotes are for site improvements and public infrastructure work, the application must include a list of the work needed to make the site acceptable to industry or business.
5. If the application is for an Industrial Site that has been offered to one or more industries or businesses but the offer did not result in the industry or business locating on the site, the application should include a description of past marketing activities and the deficiencies related to the project site.
6. Economic Impact Reports should include, but not be limited to, the direct and indirect economic impact to the state as well as the accompanying methodology and assumptions.

GROWING ALABAMA CREDIT PROGRAM DEFINITIONS

ACCELERATOR: A company which, for a fixed term, educates and mentors early-stage technology companies recruited to a location in Alabama, with the goal of accelerating the companies' development and growth. Accelerator program must contain a defined curriculum and mentorship component.

AGRICULTURAL CENTER: Multi-use facility and related commercial and noncommercial structures for livestock, equestrian, small animal shows and events, spectator events, trade shows, educational conferences, agricultural and agricultural related industries, educational, demonstrational or training purposes, educational and training conferences or events, recreational vehicle rallies, recreational vehicle multi-day parking, hosting of corporate and non-corporate organization meetings, use as fair grounds, operation of retail activities, and other events and facilities expected to draw participants and spectators from states located across the southeastern United States, with a projected total annual economic impact upon completion of all phases of the agricultural center at least thirty-five million dollars (\$35,000,000) and with the related and supporting infrastructure and facilities having a projected capital expenditure upon completion of all phases of the agricultural center of at least one hundred million dollars (\$100,000,000).

CAPITAL IMPROVEMENTS: Construction and rehabilitation expenses of a capital nature at an inland port or intermodal facility, the dredging of waterways in the immediate vicinity of an inland port, and the expansion of onsite storage facilities at an inland port or intermodal facility.

ECONOMIC DEVELOPMENT ACTIVITIES: Activities and initiatives which enhance the use of, and flow of goods through, an inland port or intermodal facility.

ECONOMIC DEVELOPMENT ORGANIZATION: A state or local economic development organization, as defined in this application.

GROWING ALABAMA TAX CREDIT: A tax credit that may offset up to 50% of the following tax liabilities: income tax, state portion of the financial institution excise tax, insurance premium tax, state utility license tax. Donating taxpayers receive a credit equal to their donation and may carry the credit forward for up to five years.

INDUSTRIAL OR RESEARCH PARK: Any industrial or research park which needs connections to interstates, highways, roadways, rail systems, or sewer, fiber, electrical, gas, or water infrastructure.

INDUSTRIAL SITE: Any industrial site that has either:
(1) a pending expression of interest from industry or business; or
(2) has been offered to one or more industries or businesses but the offer did not result in the industry or business locating on the site.

INLAND PORT: Any port on a navigable river away from traditional land, air, and coastal borders.

03/21

INTERMODAL FACILITY: Any facility which interconnects two or more different modes of air, rail, or road traffic serving multiple customers, and which involves storage facilities.

LOCAL ECONOMIC DEVELOPMENT ORGANIZATION. Organizations which are determined by the Department of Commerce to meet both of the following criteria:

- (1) The organization is an Alabama entity not operating for a profit, including, but not limited to, a municipality or county, an industrial board or authority, a chamber of commerce, or some other foundation or Alabama nonprofit corporation charged with improving a community or region of the state.
- (2) The organization has a record of supporting or otherwise participating in economic development efforts in some part of Alabama.

LOW-INCOME COMMUNITY: New Market Tax Credit census tracts as defined in 26 U.S. Code 45D(e).

STATE ECONOMIC DEVELOPMENT ORGANIZATION. Organizations which are determined by the Department of Commerce to be an Alabama entity not operating for a profit which is charged with improving the state or a region of the state and has a record of supporting or otherwise participating in economic development efforts in the state. A state EDO must confirm eligibility with Commerce prior to applying. A state EDO may apply for agricultural center and program qualifying activities only.

TECHNOLOGY COMPANY: Any company which earns or reasonably expects to earn at least 75% of its revenues from either (1) or (2):

- (1) NAICS Codes 518, 5112, 5121 (other than 51213), 5415, 5417, or 51913; or
- (2) The use of technology to develop new coding or processes for the creation or delivery of goods or services in the following fields:
 - a. Any of the fields of education, healthcare, energy, agriculture, infrastructure, software, robotics, nutrition, aerospace, automotive, or financial services.
 - b. Any fields related to science, technology, engineering, or mathematics.

UNDERREPRESENTED COMPANY: Any company which meets all the criteria in either (1) or (2):

- (1) The company is a for-profit business headquartered in a community eligible for investment through the federal New Markets Tax Credit program under federal code USC 26 45D(e), has fewer than 10 employees, and has average gross revenues of less than \$500,000 in the previous three years.
- (2) The company is a for-profit business that is independently owned and controlled and is at least 51% owned and controlled by one or more women or African Americans who are citizens of the United States. In the case of a publicly-owned business, the company is a for-profit business of which at least 51% of the stock is owned and controlled by one or more women or African Americans who are citizens of the United States and who control the daily management and operations.
