GOVERNOR'S WORKFORCE DEVELOPMENT DIRECTIVE NO. PY99-16, Change 4

SUBJECT: Certification of Eligible Training Providers

1. Purpose.

The purpose is to collect program performance information for the 2002-2003 reporting period from Workforce Investment Act (WIA) Eligible Training Providers to determine subsequent program eligibility. **The purpose of the revision for this Directive is to provide an opportunity for interested individuals to submit comments concerning the procedure of collecting the information. Attached is a copy of the regulations (WIA Section 122) in a reader-friendly format which identifies the eligibility determination requirements.**

2. Discussion.

WIA Section 122 (c) regarding Subsequent Eligibility Determination states that the Governor of a State shall establish a procedure for use by the local workforce investment boards in determining the eligibility of training providers to continue to receive funds after an initial period of eligibility has ended. It also states that submission of performance information and program cost information for the program and any additional information required must be submitted for the program annually to the appropriate local board at such time and in such manner as may be required. Local workforce investment boards should set minimum performance criteria for training providers, as well as any maximum cost levels. If there are any limitations on sending trainees to training outside of the trainee's commuting area, these limitations should also be defined in a policy statement.

3. Action.

It is the responsibility of local boards to collect program information from all Alabama WIA Eligible Training Providers once the initial eligibility time has ended. The collected information will be used to determine the subsequent eligibility of these programs. The information is due to local boards before **June 30, 2003**. Local boards are to report subsequent eligibility information for all programs to be approved as WIA training providers, to the State Planning Office, no later than **July 30, 2003**. Attached is a

standardized form for use in the collection of program information. Also, comments regarding the procedure for collecting program performance data must be received no later than June 15, 2003.

4. Contact.
